General Information about Golf lessons

It is easier than it looks...

Golf is a sport with which you can spend time in the nature. Without any age classification or restriction, golf is a sport for everyone from kids to adults. At the same time golf is a life style.. Sueno Golf Club has courses and lessons for beginners and Golfers who want to improve their game. We offer wide selection and high quality training units in our facilities. At our Club we offer carefully structured golf lessons with professionals. When you start learning golf you could end up exploring the life style of it.

You will take comprehensive lessons in your language. If you

request, you can get a green certificate. This license allows you to play on golf courses and join Professional golf tournaments. In a very short time you can be a part of this privileged sport.

For Beginners Theoric and Practice Lessons: General rules and the terms of Golf, Learn how to grip the club. Short and long shot practices,putting shots, Curved Shoots and different club use.

Lessons for improving your Golf: Approach shots, sand obstacles etc, and ways to avoid them, Improvement of shot techniques and hit practices, Green reading and Professional game techniques.
